

COREY MICHAEL SMITHSON

Photography has always been a form of mindfulness for me, a way in which I can record and refine my experience of the world. During my best adventures, when I am happily lost and focused only on the harvesting of beauty, I follow no itinerary or agenda with my camera. Instead, I react intuitively to each environment, working quickly to capture anything that happens to catch my eye. I respond emotionally to the interplay of color, texture, materials, form, line, light, and time ... sometimes not even fully comprehending what I'm staring at until I've already snapped the shutter.

Rather than documenting any particular subject, I focus on creating a compelling composition, much in the manner of an abstract painting or collage. I obey my instincts, and try to continually rediscover the world through the lens, and travel far in search of moments that deserve to be framed.
